Dear Anthony,

Request for submission – Draft Decision: Port Hedland Solar Farm: Exemption from 3.2.5.2(f) of the Harmonised Technical Rules

Thank you for the opportunity to provide feedback on APA's draft decision to provide an exemption on clause 3.2.5.2(f) of the Harmonised Technical Rules (HTR) to Port Hedland Solar Farm.

Horizon Power Pilbara Networks has no concerns on APA's draft decision given that the ISO is currently being consulted on for this exemption on matters such as overall impact on System Security, Reliability and the Pilbara Electricity Objective.

Yours sincerely,

Wai Soon Leong
